Parnas HaYom Program

Torah study is central to the Yeshiva Har Torah experience. Five days each week from September through June, inspired by their *rebbeim*, *morot* and teachers, our children immerse themselves in serious *limud HaTorah*, each grade at it's own level.

Yeshiva Har Torah invites you to be a part of our Torah study by sponsoring a day, a week or a full year of learning in honor of a child's birthday, a *refua sheleima* for someone who is ill, or in honor of the *yahrtzeit* of a loved one. In recognition of your participation, an appropriate sign will appear at the entrance to our *yeshiva*, in each classroom, and, if desired, we will be pleased to personally inform family members of your participation. In addition, your partnership will be recognized in the Daf Keshet which is distributed weekly to the entire Har Torah family.

For further information, please contact Mr. Edward Fox, Executive Director, at extension 2411 or simply complete the form below and send it to the Yeshiva Har Torah office.

Thank you for strengthening the study of Torah at Yeshiva Har Torah!
