

Mission

Yeshiva Har Torah (YHT) is a unique Torah elementary school that educates each and every student in an individualized and progressive way. We aim for academic excellence without sacrificing a warm environment and a supporting atmosphere. General and Jewish studies are taught in an imaginative way, maximizing the individual strengths of the students. Jewish values and knowledge are transmitted to our students in a meaningful, stimulating and relevant manner.

In order to support our programs, Yeshiva Har Torah is hosting its Annual Golf Classic at the beautiful North Shore Country Club in Glen Head, New York. We would be very pleased to have you join us for a wonderful day of golf and fun, complete with a catered buffet brunch, expanded on-course barbecue lunch and beverage carts, cocktail hour (featuring the JetBlue Million Dollar Challenge Hole in One Competition on the adjoining 10th hole) and gala awards dinner and raffle.
